**ANNOUNCING AN EXCITING NEW PARTNERSHIP WITH  
SUNSHINE MEADOWS AND CLAYSTONE DEVELOPMENTS**

Brian Collins, President and Rob Gable, Managing Partner are proud to announce a new partnership with a local Saskatchewan builder and developer, Claystone Developments from Hague, Saskatchewan. Shaun Unger, President and Founder, on considering the new partnership said, “We are proud to work with Brian and Rob. At Claystone, we are proud to say that ‘*We build small towns in Saskatchewan*’ and we are excited for the opportunity to work with the Sunshine Meadows team and the Town of Dundurn to build homes in this growing community in the Blackstrap Region”

Brian Collins stated that this is an exciting opportunity for all the partners and the Town of Dundurn. We will continue to facilitate new partnerships and to foster collaboration that increases opportunities for more housing and growth in the region. We hope to build more lasting relationships and partnerships that help everyone access a new home, find affordable rental accommodation and we will support local entrepreneurs to grow their businesses and build new homes in the growing community in Dundurn”.

More serviced lots and commercial opportunities are still available.
